The Wolverine Band Boosters participate in a fundraising program with Legends Hospitality Management at the Coral Sky Amphitheater at the South Florida Fairgrounds. Volunteering at Coral Sky affords an excellent opportunity to raise funds toward meeting your child's annual Fair Share Band Budget as well as funding band related expenses. Now in our 14<sup>th</sup> year of operation, participation in this program has raised over \$250,000.00 for the Wellington High School Band Program and is the band's most lucrative fundraiser!

The band boosters operate two concession stands at Coral Sky. For scheduled events, the group coordinator staffs the stands with band parent volunteers to sell draft beer, hot dogs, soda, water, pretzels and chips to concert patrons. The most important aspect of the volunteer's duties is the safe and lawful service of alcoholic beverages to Coral Sky Amphitheater guests.

It is for this reason that Legends participates in the TIPS training program. The TIPS training course is conducted by Legends staff and is offered on an ongoing basis. **All volunteers are required to attend TIPS training prior to working the concession stands.** Additionally, volunteers must attend Customer Service /TEAM Training when offered. Classes will be announced through the WHS Band email through Charms as they are scheduled, and all volunteers must pre-register with the group coordinator in order to attend a class. TIPS certification is valid for three (3) years.

Once the required training has been completed, TIPS certification is verified with Legends, and the volunteer has agreed to the terms and conditions of the WBBA Policies & Procedures by returning the signature page, volunteers may begin working concerts. Notices announcing concert staffing opportunities are sent via email by the group coordinator one month prior to the scheduled event. When a parent volunteer staffs one of our stands at a concert, he/she will be compensated for their time with an \$8.00 p/hour initial credit which is posted directly to their child's Fair Share Band Budget at the end of the month. Each January, prior to the due date for student budgets to be met, the group coordinator analyzes the total earnings and volunteer hours worked to arrive at an adjusted hourly rate to meet earning percentages as determined by the WBBA Board (currently 80% to volunteers/20% to the band). If the adjusted rate is greater than \$8.00, an additional credit will be posted to the student's account.

**For 2014, the adjusted hourly rate for Coral Sky volunteers was \$18.95 per hour!**

**Coral Sky Volunteer Uniform Dress Code** –Mighty Wolverine Sound Adult Volunteer polo shirt with pants or shorts (black, khaki, or navy blue). **No Jeans or denim** allowed. Closed toe shoes only (no sandals or flip flops). The blue Wolverine visor is optional. Volunteers not complying with the dress code will not be allowed in the stands. Band polo shirts (\$24) and visors (\$10) are available for purchase from the group coordinator.

I look forward to working with you!
